

base64.h

```
graph TD; A[base64.h] --> B[stdint.h]; A --> C[stdlib.h]
```

A diagram showing the dependencies of the `base64.h` header file. At the top is a gray box labeled `base64.h`. Two blue arrows point downwards from the bottom of this box to two white boxes below it. The left box is labeled `stdint.h` and the right box is labeled `stdlib.h`. This indicates that `base64.h` depends on both `stdint.h` and `stdlib.h`.

stdint.h

stdlib.h
